Hi Laura,

Attached is the power point presentation I referred to regarding implementation of the 2008 ozone standard. I'm not sure if the Agency plans to develop something similar for the 2015 NAAQS but if we do, I'll be sure to let you know. Either way, the information on slide 10 should stay the same and I've used it often for reference.

I will be in touch regarding the rest of our discussion today for marginal 2015 areas. Please let me know if you need anything in the meantime.

Thank you.
